

"The team at Brookbanks is absolutely committed to the delivery of our high quality, value driven, services for the benefit of our clients and the wider communities where we work. We will support our client's businesses with highly skilled and enthusiastic staff having a common goal of ensuring project success."

Paul Boileau, Group Managing Director.

### THE ROLE

Brookbanks is looking for enthusiastic, dynamic and motivated individuals to join the company as Graduate Consultants on our immersive and exciting Graduate Scheme. Our Scheme will give you exposure across our company in a range of disciplines, working collaboratively to plan, design and deliver the developments we work with nationwide.

### PREFERRED SKILLS/EXPERIENCE

We are looking for graduates from a range of educational backgrounds to join our teams, including:

- Engineering (Civil/ Environmental)
- Quantity Surveying/ Commercial Management
- Project/Construction/Environmental Management

This list is not exclusive. If you have a drive to deliver great outcomes and aspire to gain a holistic understanding of the major development industry, please get in touch.

### PACKAGE

The salary will be commensurate with experience, along with other employee benefits.

### LOCATION

Balanced home and office working.

### HOW TO APPLY

Please send your CV and Covering Letter to Amy Taylor at [amy.taylor@brookbanks.com](mailto:amy.taylor@brookbanks.com) referencing 'Graduate Scheme'

## Graduate Scheme

### THE COMPANY

We are a leading Master Developer and Development Consultant, providing specialist support to residential, commercial, retail and infrastructure schemes.

We work closely with developers, land promoters and owners of land, property and infrastructure projects across the UK and Europe to plan, design, cost and deliver their schemes.

Our teams have a valued reputation of successfully driving projects through the full development life cycle to deliver additional value and create great outcomes for our clients. Our clients include many of the UK's leading blue chip Residential (traditional and MMC), Commercial and Retail property developers, Landowners and Promoters, Mining companies, listed financial institutions and both local & Government agencies.
