

An aerial photograph of a roundabout in a rural setting. A red car is driving on the roundabout, and a green field is visible to the left. The roundabout has a central island with trees and a stone border. The background is a lush green landscape with trees and a field.

Associate Director – Transport Planning

As a UK, privately owned consultancy, we offer autonomy, flexibility and trust. Our people are empowered and supported to challenge the status quo, implement their ideas and make a real impact.

Brookbanks is built on expertise, problem-solving, and a commitment to doing things properly – delivering value, not just ticking boxes.

The role is based in any of our offices with flexible, hybrid working.

What will you be working on?

You will have the opportunity to play a key leadership role in the Transport Planning team, responsible for:

- Providing expert technical and strategic advice
- Overseeing the delivery of Transport Assessments, Transport Modelling, Travel Plans, and Access Strategies
- Supporting business development and winning new work
- Building and nurturing client relationships
- Shaping project direction across sectors including residential, commercial, and infrastructure
- Mentoring and supporting junior team members
- Working closely with multidisciplinary teams across the business
- Contributing to the future growth and direction of the Transport Planning function

What's in it for you at Brookbanks?

- ✓ **Personal development:** we provide the opportunity to develop cross-disciplinary expertise, funded chartership, mentoring and professional development.
- ✓ **Hybrid and flexible working:** we trust you to decide how you work best and endeavour to accommodate your personal circumstances.
- ✓ **Scale and scope:** you'll be part of many of the UK's most prestigious projects from day one.
- ✓ **Personable environment:** as a UK, privately-owned consultancy, you'll be more than just a number.
- ✓ **Roadmap for progression:** we're expanding into new sectors and regions, ensuring we can honour your progression.
- ✓ **Autonomy:** you'll have the freedom to work in your own way, create change and shape the company.
- ✓ **Innovation:** free from rigid processes or layers of hierarchy, we encourage fresh thinking and an entrepreneurial mindset

What do we look for?

- A well-rounded technical expert in transport planning and development-led infrastructure
- Experience managing and delivering high-quality transport projects
- A strong track record of building client relationships and winning work
- A proactive, solutions-focused mindset with a collaborative approach
- Chartered or working towards chartership (CIHT, TPS, or similar)

The Company

Expert technical, commercial and development consultants operating across all types of projects nationally.

Specialist advisors, with a track record of success, driven to support our clients' projects.

Our Development Partner (Master Developer) service is the only one of its kind in the UK. Led by ex-home builders and commercial developers to deliver our clients major development sites.

We are built to be different; we are built to guide our clients to success

[The Brookbanks Difference](#)

Working at Brookbanks is about leading innovation, creating great outcomes and driving change. Our work is challenging, rewarding and ever-changing, but we wouldn't be where we are today if we weren't one of the best in our field and a great place to work.

Brookbanks is built on loyalty, wellbeing, sustainability, security and support; we take care of our people just as we take care of our clients.
