Project Manager

Location: National (Birmingham, Bristol, Berkhamsted, Warrington, Bournemouth, Stansted)

Salary: Competitive, based on experience

THE ROLE

We are seeking a **highly driven Project Manager** to lead and manage large-scale development projects. You will take ownership of delivering **new infrastructure, commercial spaces, and serviced land parcels**, working closely with stakeholders to maximize value and quality.

You will be responsible for ensuring projects meet **financial and non-financial targets**, while driving efficiencies, fostering innovation, and challenging the status quo.

KEY RESPONSIBILITIES

- Lead and oversee **major development projects** from inception to completion.
- Deliver commercial, industrial, and infrastructure projects while ensuring financial and quality targets are met.
- Build and manage **multi-disciplinary teams**, providing leadership and direction.
- Develop and maintain **strategic industry relationships** to support business growth.
- Engage with **clients, stakeholders, and local communities** through effective communication.
- Identify and implement **value-enhancing strategies** to improve project outcomes.

ABOUT US
