

"The team at Brookbanks is absolutely committed to the delivery of our high quality, value driven, services for the benefit of our clients and the wider communities where we work. We will support our client's businesses with highly skilled and enthusiastic staff having a common goal of ensuring project success."

Paul Boileau, Group Managing Director.

THE ROLE

Brookbanks is looking for an enthusiastic, dynamic and motivated individual to join the company as a Cost Consultant; inputting principally into some of the largest and most prestigious residential-led developments in the country.

ABOUT YOU

The ideal candidate will be able to:

- Prepare cost estimates and viability analyses, using the design and technical information available.
- Analyse the information received and understand the items that can have a major impact on costs and value.
 - Be proficient in CAD and measurement software.
 - Assess financial, technical and operational risks.
- Visit proposed development sites to understand location, topography, constraints and other factors.
- Keep up to date with regulatory / legislative requirements.
- Prepare and present cost reports and viability appraisals.
 - Provide commercial and contractual advice.
- Demonstrate tendering experience and procure work packages for implementation.
- Undertake contract administration and post-contract commercial services.

PACKAGE

The salary will be commensurate with experience, along with other employee benefits.

LOCATION

Balanced home and office working (Birmingham / Bristol)

HOW TO APPLY

Please send your CV and Covering Letter to recruitment@brookbanks.com

Cost Consultant

THE COMPANY

We are a leading Master Developer and Development Consultant, providing specialist support to residential, commercial, retail and infrastructure schemes.

We work closely with developers, land promoters and owners of land, property and infrastructure projects across the UK and Europe to plan, design, cost and deliver their schemes.

Our teams have a valued reputation of successfully driving projects through the full development life cycle to deliver additional value and create great outcomes for our clients. Our clients include many of the UK's leading blue chip Residential (traditional and MMC), Commercial and Retail property developers, Landowners and Promoters, Mining companies, listed financial institutions and both local & Government agencies.
