Structural Engineering Director

Brookbanks design and deliver complex mixed use, major residential and commercial build projects between £5m to £500m.

With 8 offices across the UK, we remain a privately owned consultancy, offering autonomy, flexibility and trust. Our people are empowered and supported to challenge the status quo, implement their ideas and make a real impact.

As Director of Structural Engineering...

You will have the opportunity to make the division your own, responsible for:

- Expert technical guidance
- Business strategy
- Securing new business opportunities
- Expanding Brookbanks' market presence
- Collaborating across disciplines
- Leading a team
- Client management

What's it in for you at Brookbanks?

- ✓ **Personal development:** we provide the opportunity to develop cross-disciplinary expertise, funded chartership, mentoring and professional development.
- ✓ **Hybrid and flexible working:** we trust you to decide how you work best and endeavour to accommodate your personal circumstances.
- ✓ **Scale and scope:** you'll be part of many of the UK's most prestigious projects from day one.
- ✓ **Personable environment:** as a UK, privately-owned consultancy, you'll be more than just a number.
- ✓ **Roadmap for progression:** we're expanding into new sectors and regions, ensuring we can honour your progression.
- ✓ **Autonomy:** you'll have the freedom to work in your own way, create change and shape the company.
- ✓ **Innovation:** free from rigid processes or layers of hierarchy, we encourage fresh thinking and an entrepreneurial mindset

What do we look for?

- A proven leader and best-in-industry technical expert
- A track record of developing client relationships and winning work
- A strategic mindset

Location & How to Apply:

This role is based in any of our offices with flexible, hybrid working. To learn more, or to apply, please send your CV to Zoe Evans, Head of Talent at recruitment@brookbanks.com.
