

Powered by our people to deliver for our clients

Director of Acoustics

At Brookbanks, we are passionate about delivering innovative, high-quality acoustic solutions that make a real difference. Our core values of Excellence, Integrity, Collaboration, and Innovation, drive everything we do. As we continue to grow, we are seeking a visionary Director of Acoustics to lead our acoustics division, drive business development, and uphold our reputation for excellence.

As the Director of Acoustics, you will play a pivotal role in shaping the strategic direction of our acoustics services while ensuring technical excellence in project delivery. Beyond leading a team of skilled acousticians, you will be responsible for identifying and securing new business opportunities, building strong client relationships, and expanding Brookbanks' market presence.

KEY RESPONSIBILITIES

- **Business Development:** Proactively seek and secure new clients and projects, leveraging industry connections and market insights to grow the acoustics division.
- **Strategic Leadership:** Define and implement the acoustics business strategy, ensuring alignment with Brookbanks' overall objectives.
- **Technical Oversight:** Provide expert guidance on complex acoustic projects, ensuring high standards of design, analysis, and compliance.
- **Client Management:** Act as a trusted advisor to clients, understanding their needs and delivering tailored acoustic solutions.
- **Team Leadership:** Mentor and develop a high-performing acoustics team, fostering a culture of innovation and collaboration.
- **Industry Engagement:** Represent Brookbanks at conferences, networking events, and industry forums to enhance our reputation and influence.

CANDIDATE PROFILE:

- A proven leader in acoustics with extensive experience in consultancy or a related field
- Strong business acumen with a track record of winning work and developing client relationships
- Deep technical expertise in environmental, architectural, and engineering acoustics
- Excellent communication skills, with the ability to engage stakeholders at all levels
- A strategic mindset, capable of driving growth while maintaining technical excellence
- Membership of a relevant professional body (e.g., IOA, ASA) is desirable

PACKAGE
