

An aerial photograph of a roundabout with a central green island. A red car is visible on the road. The surrounding area includes a large green field and a line of trees.

# Powered by our people to deliver for our clients

## Transport Consultant

Brookbanks operates nationwide providing integrated and holistic consultancy services for major infrastructure and development schemes, having a reputation of designing and delivering complex mixed use projects. As a UK, privately owned consultancy, we offer autonomy, flexibility and trust. Our people are empowered and supported to challenge the status quo, implement their ideas and make a real impact. Our clients include many of the UK's leading blue chip residential and commercial property developers.

## As a Transport Planning Consultant, you will be...

---

- Preparing transport assessments, statements, and travel plans
- Undertake data collection, traffic modelling, and analysis using industry-standard software e.g. Junctions 10 (ARCADY, PICADY), ArcGIS, TRICS, TEMPro, LinSig, or similar.
- Support transport surveys and feasibility studies.
- Work with multidisciplinary teams including planners, engineers, and environmental specialists.
- Contribute to sustainable and active travel strategies in line with planning and environmental goals.
- Attend client and stakeholder meetings and support public consultation events
- Keep up to date with relevant planning policy and guidance.

## What do we look for?

---

- Relevant experience in a similar role, with a track record of delivering major development projects
- Strong analytical and numeracy skills, with a keen interest in transport and sustainability
- Excellent written and verbal communication skills
- Proficient in Microsoft Office, with a keen interest in learning and progressing.
- A team player with the initiative to work independently and take initiative.
- Strong communication and leadership skills with the ability to build and manage a multi-disciplinary team.
- Extensive network of industry contacts.
- Motivated to challenge the status quo and ensure quality in all aspects of project delivery.

## What's in it for you at Brookbanks?

---

**Autonomy:** you'll have the freedom to work in your own way, create change and shape the company

**Innovation:** free from rigid processes or layers of hierarchy, we encourage fresh thinking and an entrepreneurial mindset

**Personable environment:** as a UK, privately-owned consultancy, you'll be more than just a number

**Roadmap for progression:** we're expanding into new sectors and regions, ensuring we can honour your progression

**Personal development:** we provide the opportunity to develop cross-disciplinary expertise, funded charterhip and professional development

**Hybrid and flexing working:** we trust you to decide how you work best and endeavour to accommodate your personal circumstances

**Scale and scope:** you'll be part of many of the UK's most prestigious projects

## The Company

Expert technical, commercial and development consultants operating across all types of projects nationally.

Specialist advisors, with a track record of success, driven to support our clients' projects.

Our Development Partner (Master Developer) service is the only one of its kind in the UK. Led by ex-home builders and commercial developers to deliver our clients major development sites.

We are built to be different; we are built to guide our clients to success

### [The Brookbanks Difference](#)

Working at Brookbanks is about leading innovation, creating great outcomes and driving change. Our work is challenging, rewarding and ever-changing, but we wouldn't be where we are today if we weren't one of the best in our field and a great place to work.

Brookbanks is built on loyalty, wellbeing, sustainability, security and support; we take care of our people just as we take care of our clients.
