

**Powered by our people
to deliver for our
clients**

Principal / Senior Public Health Engineer

Brookbanks operates nationwide providing integrated and holistic consultancy services for major infrastructure and development schemes, having a reputation of designing and delivering complex projects.

Within our Mechanical & Electrical (M&E) Group, we specialise in delivering innovative, energy-focused building services solutions across residential, commercial, education, cultural, industrial and regeneration developments from concept to handover.

As a UK, privately owned consultancy, we offer autonomy, flexibility and trust. Our people are empowered and supported to challenge the status quo, implement their ideas and make a real impact.

As an Associate Electrical Design Engineer, you will:

- Lead and manage public health building services design across high-profile projects, ensuring technical excellence and innovative solutions.
- Take ownership of complex design calculations for heating, cooling, water services, drainage, and sanitary systems, ensuring compliance with standards and regulations.
- Provide strategic technical leadership from concept through to construction, handover, and post-occupancy support.
- Oversee and review surveys, reports, and assessments of existing systems, providing authoritative advice to clients.
- Lead tender preparation, technical submissions, and client presentations, influencing project scope and outcomes.
- Monitor construction progress, manage contract administration, and act as senior technical point of contact on-site.
- Oversee commissioning, testing, and project handover, ensuring delivery of robust and efficient solutions.
- Mentor and develop junior and mid-level engineers, fostering technical excellence and team growth.
- Collaborate closely with clients, architects, contractors, and multidisciplinary teams, building strong professional relationships.
- Champion compliance with Brookbanks QA procedures and drive continuous improvement in design and delivery.

What's it in for you at Brookbanks?

- ✓ **Personal development:** we provide the opportunity to develop cross-disciplinary expertise, and have a strong 'promote from within' culture.
- ✓ **Hybrid and flexible working:** we trust you to decide how you work best and endeavour to accommodate your personal circumstances.
- ✓ **Scale and scope:** you'll be part of many of the UK's most prestigious projects from day one.
- ✓ **Personable environment:** as a UK, privately-owned consultancy, you'll be more than just a number.
- ✓ **Roadmap for progression:** we're expanding into new sectors and regions, ensuring we can honour your progression.
- ✓ **Autonomy:** you'll have the freedom to work in your own way, create change and shape the company.
- ✓ **Innovation:** free from rigid processes or layers of hierarchy, we encourage fresh thinking and an entrepreneurial mindset.

What do we look for?

- Degree educated in public health, building services, or mechanical engineering.
- Extensive public health design experience across complex building services projects.
- Proven leadership on large or technically challenging schemes.
- Revit experience desirable.
- Chartered status (or working towards) preferred.
- Full UK driving licence.

The Company

Expert technical, commercial and development consultants operating across all types of projects nationally.

Specialist advisors, with a track record of success, driven to support our clients' projects.

Our Development Partner (Master Developer) service is the only one of its kind in the UK. Led by ex-home builders and commercial developers to deliver our clients major development sites.

We are built to be different; we are built to guide our clients to success

[The Brookbanks Difference](#)

Working at Brookbanks is about leading innovation, creating great outcomes and driving change.

Our work is challenging, rewarding and ever-changing, but we wouldn't be where we are today if we weren't one of the best in our field and a great place to work.

Brookbanks is built on loyalty, wellbeing, sustainability, security and support; we take care of our people just as we take care of our clients.

[Working for us](#)

This role is based at our Berkhamsted or Birmingham office with flexible, hybrid working. To learn more, or to apply, please send your CV to Zoe Evans, Head of Talent at recruitment@brookbanks.com.
